

Domaine LA GRAVE

VIN DE PAYS DES
HAUTS DE BADENS

Cabernet Sauvignon

100% Cabernet Sauvignon

The Cabernet-Sauvignon is planted over foothills, in clayish-calcareous soils, the structure of which is light and deep. It is a capricious variety. We aim at reflecting the characteristics of the variety while avoiding green notes.

In order to tame its tannins, and sometimes its roughness it is aged in vat for 18 months (longer than the average ageing time in the region). As a result it is ready for drinking as soon as it is released. However can be kept for two or three years. It is a wine for people who are familiar with tasting, who like complex wines with strong personalities and also with a Mediterranean character.

Vinification of fully ripened grapes
De-stemming, cold maceration before fermentation
Maceration between 15 and 20 days
