

# Domaine La Grave

VIN DE PAYS DES  
HAUTS DE BADENS

Vin de Pays Coteaux de Peyriac 2021

## Merlot

Merlot (100%)

The Merlot plant found its balance in foothills with light and deep clayish-calcareous soils and with some sand. We favour softness and pleasure over concentration as the variety likes fresh soils which allow it to retain water for summer. And it adapts very well to the geographical and climatic conditions of the Château La Grave property.

It is a wine always balanced, soft, round, fruity, colourful. Its density, far from excess, makes a very aromatic wine.

Grapes harvested when fully matured thanks to the Mediterranean climate. De-stemming, partial bleeding

- Garlic rabbit
- Guinea fowl with nuts
- Fermented cheese
